SMART Pulser

Next-Generation **Carbon Technology**

Instead of rigid copper coils, the Smart Pulser uses **flexible woven carbon conductors** for superior signal delivery.

- ✓ Even signal distribution
- ✓ Foldable and easy to store
- ✓ Durable, flexible applicators
- ✓ Comfortable use on any surface

Advanced woven conductors for
Efficient, Uniform PEMF Energy Delivery

SMART Pulser

Versatility You'll Love

SMART Pulser

A Smarter Way To Sleep

Smart Bed:

- ✓ UnoSleep fits Single Bed
- ✓ DuoSleep fits King Bed
- ✓ Sleep faster and deeper
- ✓ Enhanced energy and recovery

No setup complexity.
No learning curve.

Just press start and let it run.

Or take it one step further...

Set it and forget it with preset sleep programs that run automatically when you go to bed or before you wake up—daily PEMF without changing a thing.
